Second Trimester 2014

P.O. Box 162

Baker City, Oregon 97814

Regular Meetings @ 7:00 P.M., First Tuesday of the Month at 2690 Broadway

Thank You!!

Thanks everyone for your help at the Range Cleanup Day. It went well. If you got home without your rake, let Wayne (541-519-4000) know, as someone got home with an extra one.

It would also be appreciated if the person(s) who shot their rifle through the roof at the covered benches under the 200 berm and tore two big holes in the roof, would go repair it.
You know who you are - no questions asked.

Lock Gate

Members seem to have a lot of trouble with the lock gate. Please follow these instructions:
Work the number; Depress the shackle and it will come open easily; Pull gently

You don't have to bang and hammer on it - it will work.

If you leave the number worked when you go in, when you leave, lock the lock and destroy the number last, it will work better.

VIRTUE FLAT RANGE USE POLICIES

The Club makes every attempt to maximize the amount of time that the range is available for general use while also scheduling enough events and private range reservations to support operation of the range. Be sure to check the calendars in the newsletter or online before planning a trip to the range. When no events or reservations are scheduled, time of arrival establishes range use priority. If shooters are at the range prior to your arrival, their activities determine which ranges are available for use. In many cases, a shooting activity on one range does not affect other range use.

The 1000-yard Range prevents any other range use. This firing berm nearest to the entry gate is used for Black Powder Cartridge Rifle Silhouette Matches, Steel Silhouette Matches, 1000-yard Benchrest Shoots, and long-range High Power Rifle Matches. Before firing from this range, shooters must first check the entire range to be sure no one else is down-range at any location east of the 1000 yard berm.

The 200-yard Range prevents use of the 1000-yard range. Most range use occurs here. Target holders are placed at 25, 50, 100 and 200 yards. This range is used for Standard High Power and Sporting Rifle Matches, Pistol Classes, and by most individuals wanting to test loads or sight rifles. Use of this range still allows for safe use of the 100-yard pistol range.

The Pistol Range prevents use of the 1000-yard range. This range is used for pistol shooting, .22 Silhouette Matches, Junior .22, YHEC, and Cowboy Action Shoots. Two benchrests and target placements out to 100 yards are available. Use of this range still allows for safe use of the 200-yard range. After range use, be sure to install the slide rails to keep cattle out of the shooting area.

The Action Pistol Bays prevent use of the 1000-yard range, and may prevent use of the Pistol or 200-yard Rifle Ranges. Restrictions:

- 1.) No matches will be scheduled simultaneously in the Pistol Bays and any other range location.
- 2.) During Scheduled Matches on the Rifle Range or 100-yard Pistol Range, no firing is permitted in the Pistol Bays.
- 3.) During Scheduled Matches at the Pistol Bays, no use of the Pistol Range is permitted, no firing is permitted on the Rifle Range, and no person may access Rifle Range locations east (downrange) of the 200-yard berm.
- 4.) No firing is permitted in the pistol bays when persons are downrange of the 200 yard rifle benches.
- 5.) When no matches are scheduled, individuals or groups who wish to use the Pistol Bays must direct all fire in an eastward direction at the back berm of the bay they are using. Do not fire in any other direction. The 180° arc of fire is permitted only during scheduled Practical Shooting Matches.
- 6.) When no matches are scheduled, simultaneous informal use of the Pistol Bays and Rifle or Pistol Ranges is permitted under the following conditions:
 - a. Fire in the Pistol Bays is directed in an eastward direction only.
 - b. Rifle Range shooters must call for and receive a cease-fire in the Pistol Bays before engaging in any activity downrange from the 200-yard benches.
- 7.) Do not fire rifles at plate racks in the Pistol Bays.

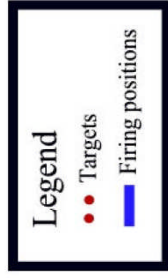

All ranges: if you see someone checking fence or pushing cows on the hillsides downrange of the target areas, STOP FIRING until that person has completely cleared the hillside.

Report all acts of vandalism to the Sheriff's office as soon as discovered.

PUT SAFETY FIRST AT ALL TIMES!
