Regular Meetings @ 7:00 P.M., First Tuesday of every month, 2690 Broadway St.

## **Noxious Weed Control, and why it is important to check the online calendar before driving out to the Range.**

Our lease requires us to conduct BLM-approved weed control measures. Our 2023 objectives include diffuse knapweed, thistle, and whitetop.

Club member Arnie Grammon is the former Baker County Weed District Supervisor. He is working with the current Supervisor (Jeffrey Pettingill) to apply BLM-approved herbicides on problem areas. Spraying is weather dependent, usually occurs before 8AM., and is scheduled on short notice. Herbicide will not be applied on any developed areas within 48 hours of any scheduled event.

When herbicide applications are scheduled, the range gate will be placarded, the online calendar will be updated, and an email will be sent to the membership. As a rule of thumb, avoid unnecessary human or pet contact with vegetation for 48 hours after an application.

Work details are often scheduled on short notice. Scheduled work crews have range priority. This is why you should always check the online calendar before driving out to the range. If all or part of the range is closed for maintenance, it will say so on the calendar. [www.prsportsmen.com/calendar.html](http://www.prsportsmen.com/calendar.html) .

If you'd like to do some volunteer target repair or other work, sheet lumber and boards are stored in or under the shed near the south end of the 200-Yard Berm. You have two choices when planning your work at the range: you can drive out unannounced and fit into the priority system if other people are present, or, you can call David Spaugh ahead of time and schedule a work closure. 541-519-7417.

## **Emergency Supplies: Stop the Bleed.**

Look for a box mounted on the exterior wall of the Scorekeeping Shed at the Pistol Range. This box will contain a Stop the Bleed kit for emergency use. Stay safe!

## **Ladies Only - Free Handgun Training**

PRSC is planning a free Ladies-only live-fire Handgun Training event. Guns and ammunition provided. Beginners welcome. Limited space. Pre-registration is required.

## **PRSC RANGE PRIORITY**

Some parts of the Virtue Flat Range cannot be used simultaneously.

Range Priority is the system we use to determine which event or group has priority over other groups when multiple parties use the range at the same time. Range Priority creates a safe range.

Range Priority is established first by the Club Calendar, and then by time of arrival and position.

All Calendar Events at the range have priority over unscheduled uses. The Director for each Calendar Event has full authority over the entire range for the time period specified on the Calendar.

For all other times, earlier arrival has priority over later arrival, and earlier position has priority over later position.

Before firing, always physically check the entire range to determine whether you have priority and whether your intended use is safe.

No person shall travel downrange of any active firing position.

The Direction of Fire on the Rifle Range is observably northeast. See map.

No firing position shall be established at any location west or east of any scheduled or pre-established active position on the Rifle Range.

The Pistol Range includes all facilities located north of the Rifle Range in the area of the 300-Yard Firing Berm. See map.

The Pistol Range can be used at the same time as the 200-Yard Rifle Range, and vice versa.

The Pistol Range CANNOT be used or accessed when a firing position has been established on the Rifle Range at any point west of the 200-Yard Firing Berm.

No firing position can be established on any part of the Rifle Range west of the 200-Yard Firing Berm when any person is on any part of the Pistol Range.

The Direction of Fire on the Pistol Range spans northwest to northeast.

The Direction of Fire in Pistol Bays is from bay-entry to rear berm only.

During scheduled matches only, the Direction of Fire within Pistol Bays may span the Practical Discipline 180° arc.

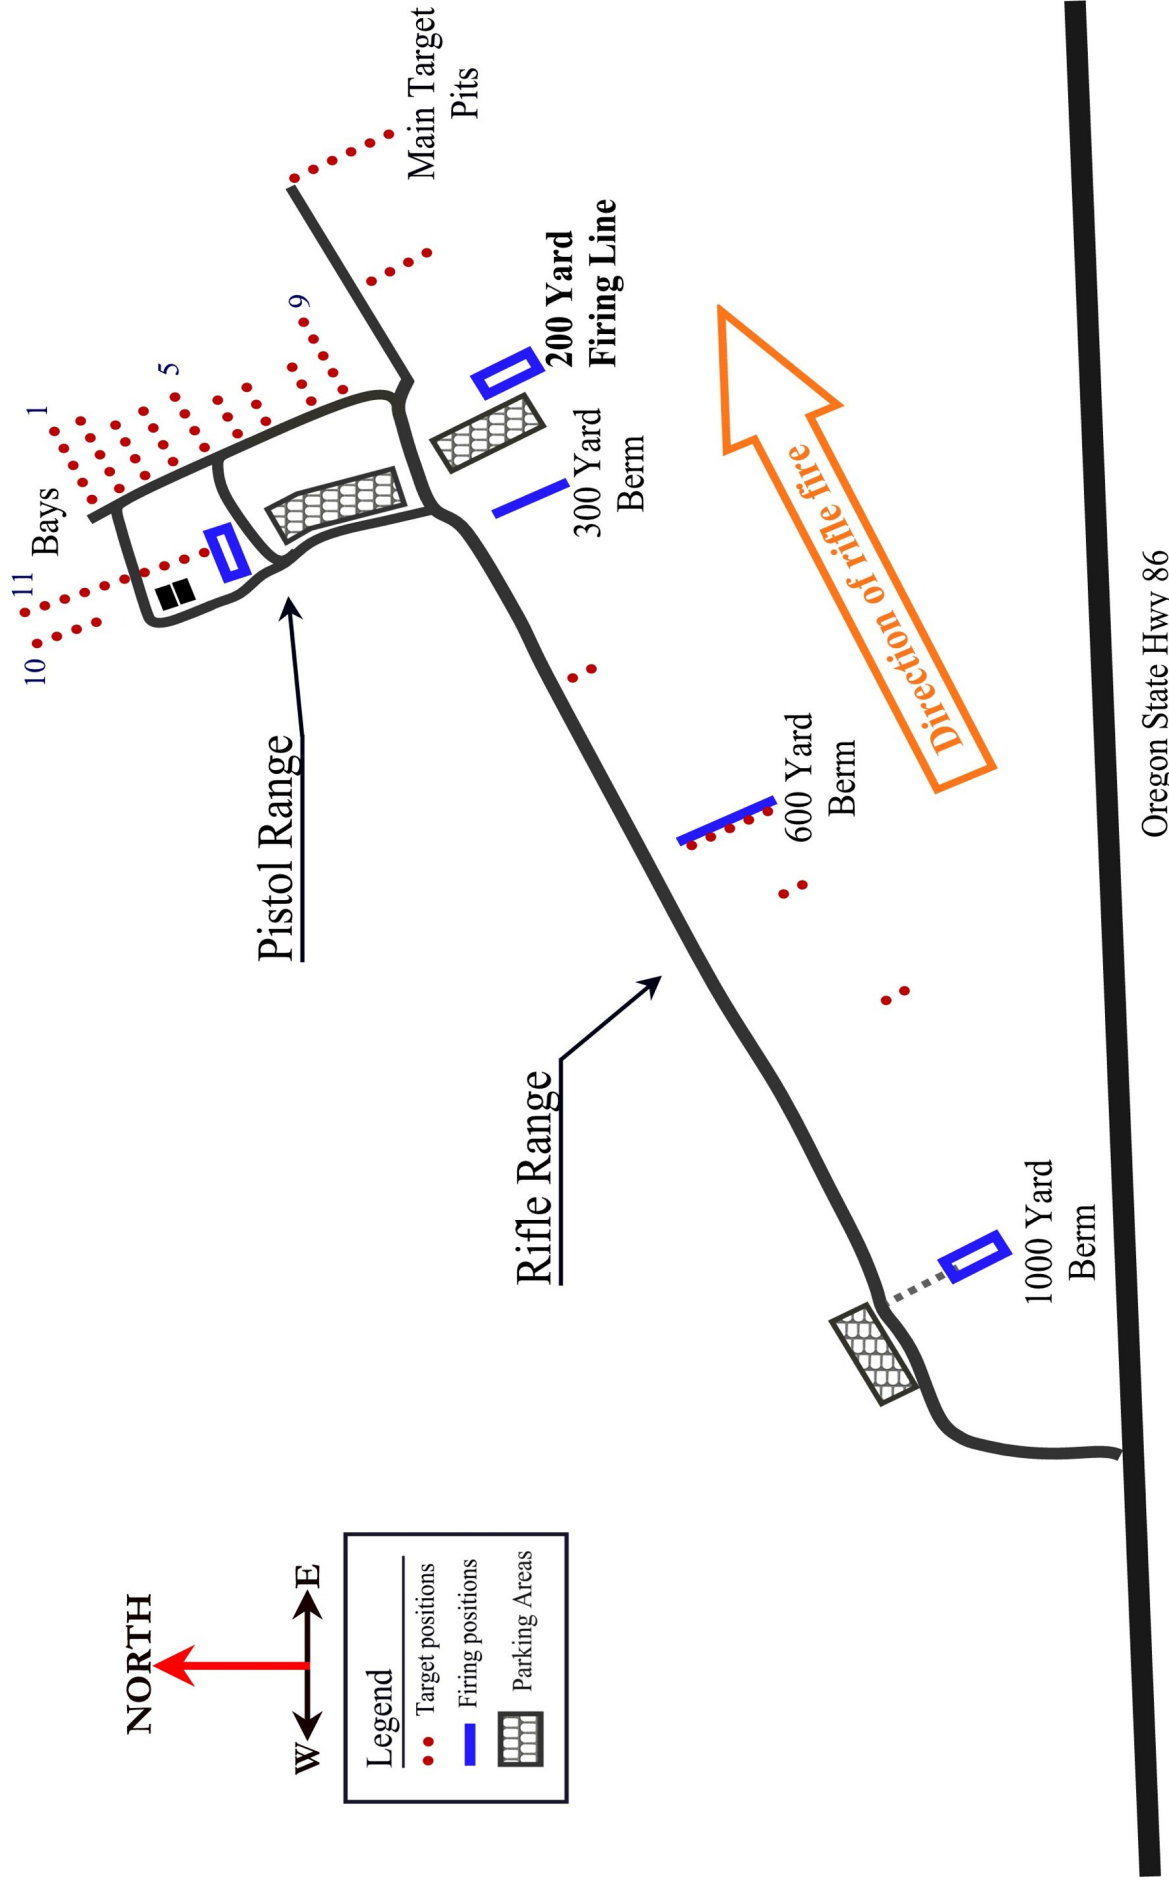

No Matches shall be scheduled simultaneously in Pistol Bays 1-9 and any other range location.

During Scheduled Matches on the 200 Yard Rifle Range, no firing is permitted in Pistol Bays 1-9.

During Scheduled Matches in Pistol Bays 1-9, no firing is permitted anywhere on the Rifle Range and no person shall access Rifle Range locations east of the 200-yard Firing Line.

**If you have questions about any PRSC rule or policy, call a Club Officer for clarification.**

# **Powder River Sportsmen's Club Membership Application / Renewal**

All persons are required to sign this form when joining the Club or renewing a Membership.

## **Virtue Flat Range Rules**

1. Keep the range entrance gates closed. Always lock the gate when you leave.
2. Keep firearms pointed in a safe direction.
3. Keep firearms unloaded until ready to shoot.
4. Know where other persons are at all times.
5. DO NOT fire from the 1000, 600 or 300-yard berms until you have physically checked all facilities and determined that no other persons are on ANY part of the range east of your intended firing position.
6. Do not use glass items for targets. Do not fire any rifle at the Plate Rack in the pistol bays.
7. Clean up after firing. If you packed it in, then please pack it out.
8. To prevent livestock damage, always re-install the wooden rails after using the covered shooting area on the Pistol Range.
9. Do not share any PRSC lock combination with any person.
10. Eye and ear protection is strongly recommended, and required for all minors.
11. PRSC Memberships are Individual. Each Member must complete the PRSC Range Safety Seminar before receiving authorization to independently access and use the Range. Seminar Video: [www.prsportsmen.com/seminar.html](http://www.prsportsmen.com/seminar.html)

Failure to comply with rules can result in termination of membership.
