RANGE ~ GATE INCIDENT

On Thursday the September 11, 2025 the entry gate was found open at 6:15am. The Range was inspected and no one was on the property, so it appears that it was left open from the previous day. The combination was scrambled and the lock was hanging open. This is a violation of the Range rules.

We have no clue as to the circumstances that lead to this happening. If anyone finds an issue or has a problem please notify a board member so that we can take corrective action promptly. Remember this is our range and we all have a responsibility to protect it.

RANGE ~ 1,000 YARD INCIDENT

On August 25, 2025 we received a memo from The Baker City Police Dept. making us aware of a Range Safety Violation. A Club member came to shoot at the 1000 yard position. It's reported he made a half hearted attempt to clear the range by going as far as the 300 yard berm, not seeing anyone from that point he returned to 1000 yard position and began to shoot.

By not checking thoroughly he missed the fact that there were two BCPD officers reviewing their training at one of the pistol bays. When leaving the pistol bay position they had to use their siren and lights as they drove to the 1000 yard position and took the shooter's information. This was a violation of the Posted Range Rules and Club Bylaws. The Board has addressed this issue.

We are asking all members to refresh yourself on the Range rules posted at all shooting areas at the range, you can go online also to review the Range Safety Seminar. Our continuing goal is to maintain a safe and friendly environment for all to enjoy. There are several areas of obstructed view, you can only be sure by doing a thorough inspection of the site as required by the rules. Please let's all honor the rules, you could be the one down range. Report any issues you have with a Board member.

RANGE PRIORITY AND KNOWING WHEN THE RANGE IS CLOSED

Always check the Club Calendar before planning a trip to the range. Scheduled Calendar Events always have priority over other range uses.

The entire range is closed to other uses during the following Scheduled Match events: USPSA, Cowboy Action, Steel Varmint, 1000-Yard, 3-Gun, Club Championship, Turkey Shoot, and the 1911 US Calvary Match.

During other Scheduled Events on the Pistol Range, the 200-Yard Rifle Range is usually open. And, during other Scheduled Events on the 200-Yard Rifle Range, the Pistol Range is usually open.

PRSC RANGE PRIORITY

Some parts of the Virtue Flat Range cannot be used simultaneously.

Range Priority is the system we use to determine which event or group has priority over other groups when multiple parties use the range at the same time. Range Priority creates a safe range.

Range Priority is established first by the Club Calendar, and then by time of arrival and position.

All Calendar Events at the range have priority over unscheduled uses. The Director for each Calendar Event has full authority over the entire range for the time period specified on the Calendar.

For all other times, earlier arrival has priority over later arrival, and earlier position has priority over later position.

Before firing, always physically check the entire range to determine whether you have priority and whether your intended use is safe.

No person shall travel downrange of any active firing position.

The Direction of Fire on the Rifle Range is observably northeast. See map.

No firing position shall be established at any location west or east of any scheduled or pre-established active position on the Rifle Range.

The Pistol Range includes all facilities located north of the Rifle Range in the area of the 300-Yard Firing Berm. See map.

The Pistol Range can be used at the same time as the 200-Yard Rifle Range, and vice versa.

The Pistol Range CANNOT be used or accessed when a firing position has been established on the Rifle Range at any point west of the 200-Yard Firing Berm.

No firing position can be established on any part of the Rifle Range west of the 200-Yard Firing Berm when any person is on any part of the Pistol Range.

The Direction of Fire on the Pistol Range spans northwest to northeast.

The Direction of Fire in Pistol Bays is from bay-entry to rear berm only.

During scheduled matches only, the Direction of Fire within Pistol Bays may span the Practical Discipline 180° arc.

No Matches shall be scheduled simultaneously in Pistol Bays 1-9 and any other range location.

During Scheduled Matches on the 200 Yard Rifle Range, no firing is permitted in Pistol Bays 1-9.

During Scheduled Matches in Pistol Bays 1-9, no firing is permitted anywhere on the Rifle Range and no person shall access Rifle Range locations east of the 200-yard Firing Line.

If you have questions about any PRSC rule or policy, call a Club Officer for clarification.

Virtue Flat Range Rules

1. Keep the range entrance gates closed. Always lock the gate when you leave.
2. Keep firearms pointed in a safe direction.
3. Keep firearms unloaded until ready to shoot.
4. Know where other persons are at all times.
5. DO NOT fire from the 1000, 600 or 300-yard berms until you have physically checked all facilities and determined that no other persons are on ANY part of the range east of your intended firing position.
6. Do not use glass items for targets. Do not fire any rifle at the Plate Rack in the pistol bays.
7. Clean up before you leave. If you packed it in, please pack it out.
8. To prevent livestock damage, always re-install the wooden rails after using the covered shooting area on the Pistol Range.
9. Do not share any PRSC lock combination with any person.
10. Eye and ear protection is strongly recommended, and required for all minors.
11. PRSC Memberships are Individual. Each Member must complete the PRSC Range Safety Seminar before receiving authorization to independently access and use the Range. Seminar Video: www.prsportsmen.com/seminar.html
