

The Powder River Pistolettes is a ladies only shooting group of The Powder River Sportsmen's Club to help promote women's shooting interests.

The Pistolettes provide a friendly and safe environment designed to share firearm safety and the fundamentals of marksmanship, sharing the knowledge and resources needed to handle and operate firearms with confidence.

As a member, this group offers women a safe, fun, and instructive way to get in some practice time at the range and meet new friends. If you have an interest in shooting hand guns, whether for personal defense or for sport, this is a good place to start.

New faces are always welcome so come join us, the Pistolettes meet on the first Tuesday of every month at the Powder River Club house located at 2690 Broadway in Baker City at 6pm. The regular Club meeting follows at 7pm.
